PIONEER OF PRE-EXPORT INSPECTION

Roadworthiness Inspection for Used Vehicles for Islamic Republic of Pakistan

Please be advised that The Pakistan Standards & Quality Control Authority (PSQCA) has appointed EAA Company
Limited (EAA) as an accredited inspection company for a Pre-shipment Verification of Conformity (PVoC) program for the roadworthiness of used vehicles imported to Pakistan effective from the 1st of April 2026.

All used vehicles exported to Pakistan will require a certificate of conformity (COC) to comply with import regulations on arrival (unless shipping documentation verifies the vehicle was shipped prior to the inspection commencement date of 1st of April 2026).
Pre-shipment inspections will commence in the following countries from the 1st of April 2026:
Japan, United Kingdom, Singapore, United Arab Emirates, United States of America.

Requirements for a valid EAA certificate of compliance are:

〇The model year restriction is 5 years or less.
*Personal (non-commercial) imports: 3 years or less.
〇Vehicles with tampered mileage are not permitted.
〇Vehicles exported from Japan and United Arab Emirates must pass a radiation inspection.
〇Exhaust gas tests must be passed.
〇Other inspection standards are basically the same as those in the Uganda.
